

Subject: April 1, 2026 Price Increase

Dear Valued Partners,

We greatly appreciate the business we share and your continued partnership over the years.

I am writing to notify you of a recent development affecting a portion of our product portfolio. The Chinese government has rescinded the manufacturer's rebate on ceramic products, which has resulted in price increases from our supplier base in China. The magnitude of these increases, combined with the sudden implementation, requires 1880 Hospitality to take immediate action, as we have already begun to incur higher costs on impacted products over the past several weeks.

As a result, we will be implementing a 5% price increase on affected items, effective April 1, 2026.

An updated pricelist is included with this announcement, and your 1880 Hospitality Sales Manager can provide you with any additional detail that is needed.

We value our partnership and remain committed to growing our business together. Please contact your 1880 Hospitality Sales Manager with any questions.

Regards,

Lisa Knierim
