Cleveland™

DATE: April 28th, 2026
TO: All NAFED Members
FROM: Robert Tribfelner
SUBJECT: July 1, 2026 Price Increase

We continually strive to provide our customers with the best products and services. In addition, we are always looking for ways to reduce waste and improve our operating efficiencies while keeping our prices competitive.

As you know Cleveland has not taken a price increase since June 2025. We want to be as proactive as possible in our communications and set clear expectations to minimize the impact of this change too your business.

Effective July 1, 2026, we will have a price adjustment averaging 4% across our product lines:

- We will be honoring pricing on current orders scheduled to ship before September 1, 2026.
- Pricing for current quotes will be honored until July 1st 2026.
- All new quotes will be valid for a period of 60 days until further notice.

We will be releasing the new price information to our channel partners looking for quote assistance and guidance. AutoQuotes will be updated and reflect new prices by June 1, 2026.

We remain committed to innovation, and to delivering the best products in the food service industry. We are grateful for the strength of our partnerships and sincerely appreciate your continued support.

Best regards,
