

Subject: Upcoming List Price Adjustment –Effective March 1, 2026

Dear Valued Customer,

We are writing to inform you that Convotherm will implement a list price adjustment effective **March 1, 2026**.

Price Adjustment Summary

- **Convotherm Maxx Pro – Spritzer models:** +5% list price increase
- **Convotherm Maxx Pro – Boiler models:** +10% list price increase

Order Guidelines

- Convotherm will honor current pricing on **open orders scheduled to ship on or before September 1, 2026**. Orders with shipping dates beyond this date will be subject to the new pricing.
- **New orders placed prior to March 1, 2026** will be processed at current pricing **provided the requested ship date is on or before August 30, 2026**.

If you have upcoming projects or would like to review orders ahead of the price adjustment, we encourage you to work closely with your Convotherm sales representative or Convotherm US sales and management team.

The Convotherm list prices will be made available no later than February 1, 2026.

Thank you for your continued partnership and support.

Best Regards,

Martin Huddleston
