Re: 2026 Price Adjustment and New Catalog Launch

Dear Valued Distributor Partners,

Please be advised that effective January 1, 2026, we will be implementing a 5% list price increase across all product segments. This adjustment reflects continued cost pressures in tariffs, materials, logistics, and production while allowing us to maintain the quality and service standards you expect from Dynamic.

We encourage you to review your current pricing and submit purchase orders prior to the effective date to take advantage of current pricing.

We're also excited to announce the launch of our new 2026 Product Catalog which include new products introduced during recent shows and conferences which are available and in stock for immediate shipment. Hard copies and digital versions will be available soon through your local Dynamic representative.

As always, we sincerely thank you for your business.

Warm regards,

Team DYNAMIC
