Effective for 10/27/26

Dear Valued Customer,

We are writing to inform you of a 3–5% price increase, effective September 1, 2026, in response to rising material costs and ongoing market volatility.

Order Protection

- Orders placed on or before August 31, 2026, scheduled to ship by December 31, 2026, will be honored at current pricing.
- Any orders currently in-house will also be honored at current pricing.

AutoQuotes

AQ will be updated to reflect the new catalog pricing by mid-August. All outstanding quotes will be honored per the terms of those quotes.

We will continue to keep you informed of market developments and any resulting impact on pricing. We truly value your partnership and appreciate your continued support of Eagle Group products.

If you have any questions or need additional information, please don't hesitate to contact your local Eagle Sales Representative or Eagle Customer Service Account Specialist.

Best regards,
