RE: Electrolux Professional Group Price Adjustment Effective April 1, 2026

Electrolux Professional Group Dealers, Customers, and Independent Manufacturer Representatives,

On January 30, 2026, we communicated plans to adjust pricing on all Electrolux Professional Group foodservice products effective April 1, 2026. The average range of list price adjustment across all Electrolux Professional Group foodservice products is from -3% to 7%. We have taken a very aggressive stance to minimize the cost impacts on our Customers and Partners.

Quotations created prior to April 1, 2026, that do not reflect the most recent 2026 adjustment will need to be requoted if the order is shipping after April 1, 2026.

AutoQuotes is scheduled to reflect updated pricing for Groen, Randell, Electrolux Professional, Power Soak, and Avtec on March 1, 2026. AutoQuotes will reflect updated pricing for Kelvinator Commercial on April 1, 2026.

We thank you for your continued support of our company. We will continue to earn your business every day through exceptional customer service, high-performance products, and unique solutions that help make our customers' work-life easier, more profitable - and truly sustainable every day.

Sincerely,

John Evans
