

Dear Valued Partner,

Due to the recent implementation of additional tariffs on all goods imported into the United States, EURODIB has been compelled to adjust its pricing structure effective immediately. However, we are pleased to inform you that a limited selection of products currently available in our New Jersey warehouse (see attached inventory list) remains unaffected.

For products of **European origin**, price adjustments have been kept to a **maximum of 10%**.

For products of **Chinese origin**, despite tariffs reaching as high as **170%**, our price increase is limited to a **maximum of 95%**.

Please rest assured that we have taken every possible measure to minimize these increases, including absorbing part of the cost impacts related to tariffs and ongoing currency fluctuations.

We appreciate your continued support and understanding as we navigate these challenging market conditions together.

Warm regards,

The EURODIB Team
