Dear Valued Customer,

This email is an update to our previous notification of price increases set to take effect because of new tariffs being imposed in 2025.

As a response to the 20% tariff increase on China imported goods, Flash Furniture and the Ubique Group will be raising prices by 8.5% effective May 15, 2025. There is also a small set of 22 items that are subject to steel and aluminum tariffs. These items have an additional 10.5% increase (19% total increase).

Attached you will find updated pricing for affected products that will take effect on 05/15/25.

Our request from you is as follows:

1. Please confirm receipt.
2. Provide any additional information that might be required to ensure timely implementation of this updated pricing.
3. Let us know if there are any other questions you might have.

Thank you for your continued business, and we look forward to continuing our partnership in 2025!

Sincerely,

Flash Furniture
