RE: Upcoming Price Adjustment Effective August 1st, 2026

Dear Valued Customer,

We would like to inform you of an upcoming price adjustment for Garland/US Range/Sunfire products, effective **August 1st, 2026**.

While we have continued to work diligently to manage costs through operational efficiencies, strategic sourcing, and other internal initiatives, ongoing market pressures have made this adjustment necessary.

Effective August 1st, 2026, pricing will be adjusted as follows:

- **All Garland/US Range products and accessories: 5% increase**
- **Sunfire products: 2.5% increase**

Order Guidelines:

- We will honor current pricing for open orders scheduled to ship before October 1st, 2026. Orders with shipping dates beyond this will need to be repriced. Customer Service will contact you if this applies to your orders.
- New orders placed before August 1st, 2026, will be processed at current pricing if the following conditions are met: Orders are scheduled to ship by August 31st, 2026, or by the standard lead time if later. Orders do not exceed typical purchasing volumes (i.e., no bulk "price protection" orders).

We remain committed to providing high-quality products and reliable service, and we sincerely appreciate your continued partnership and understanding.

If you have any questions or would like to discuss how this change may affect your business, please do not hesitate to reach out.

Best regards,

Graham Sams

President, Garland/US Range/Sunfire
