Dear Business Partners,

We would like to provide an update regarding the current tariff landscape. As discussions continue between the U.S., Mexico, and Canada, please rest assured that we are actively monitoring the situation. Despite any fluctuations, we will honor all existing purchase orders as previously agreed upon. Additionally, in accordance with our current policy, our quotes will remain valid for 60 days unless other arrangements are made.

Our commitment to fulfilling your needs remains strong. We will continue to work diligently to provide you with the best possible service, pricing, and lead times. Should any changes develop, that may affect future business opportunities, we will promptly communicate those updates and collaborate with you on how to best navigate through this volatility. **As of now, those changes could result in a 1%-6% price increase, effective June 1, 2025.**

Thank you for your ongoing trust and partnership. If you have any questions or concerns, please do not hesitate to reach out. Communication is critical, and we want to ensure all channels are open.

Best regards,

Scott Rogers
