Subject: 2026 Pricing Update

Dear Valued Customer,

Thank you for your continued partnership with Empire Equipment. As the national importer and distributor of Midea commercial microwaves and high-speed ovens, we remain committed to providing high-quality solutions at competitive prices.

Effective **January 1, 2026**, the **9% surcharge on the 1025 series will be eliminated**. In response to ongoing market volatility and rising costs, we are adjusting our pricing accordingly with a **10% increase** on all **1000-Watt and high-speed oven models**. Pricing for all other Midea microwave ovens will remain unchanged.

Below is a summary of the affected models and their updated list pricing:

Model	2025 List Price	New 2026 List Price
1025F0A	\$600.00	\$660.00
1025F1A	\$685.00	\$753.50
1034N0A	\$910.00	\$1,001.00
1034N1A	\$1,085.00	\$1,193.50
G1	\$14,060.00	\$15,466.00

We appreciate your understanding and continued support. If you have any questions or would like updated pricing sheets, please don't hesitate to reach out.
