Hello,

We would like to inform you that Moffat will implement a price adjustment effective September 1, 2026.

Orders received on or after September 1, 2026, will be subject to the new pricing structure. An updated price list will be distributed prior to the effective date to allow you time to review the changes and plan accordingly.

If you have any questions regarding these changes or would like assistance reviewing upcoming projects or quotations, please don't hesitate to contact your Moffat representative or our sales team.

Thank you for your continued partnership and support. We appreciate your business and look forward to continuing to serve you.
