Subject: Tariffs

Dear Customer,

Oak Street is delaying the scheduled 24.5% increase on imported products from April 9, 2025 to April 15, 2025. We are optimistic deals will be reached, but without knowing the end result, we are still holding on the potential for an increase.

As always, we will keep you updated with our plans to adjust based on the results of negotiations.

We appreciate your understanding in this volatile situation and thank you for your continued partnership.

Sincerely,

Tom Bagge

CEO
