

SPILL-STOP

Hand Tools For the Bartender

February 12, 2026

Dear Valued Customer,

We are writing to inform you of an upcoming price adjustment for Spill-Stop products.

Over the past several months, we have experienced continued increases in certain operating costs, including materials, freight, and labor. We have worked diligently to manage these increases internally; however, to ensure we can continue delivering the quality and service you expect, a price adjustment is necessary.

We remain focused on improving operational efficiency and strengthening our supply chain to minimize future impacts wherever possible. Our commitment to dependable performance, consistent product quality, and a comprehensive barware assortment remains unchanged.

Updated pricing will take effect on April 1, 2026.

We sincerely appreciate your continued partnership and trust in Spill-Stop.

Sincerely,

Ryan Bauer
President
Spill-Stop
