

April 1, 2026

Dear Valued Customer,

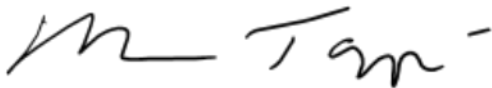

Due to inflationary cost pressures and market conditions, we are announcing a 5% price increase on all Structural Concepts models and options effective July 1, 2026.

Complete purchase orders that are received at SCC prior to July 1, 2026 and shipping within our current lead times will be eligible for current pricing. All others must be requoted at the July 1, 2026 prices.

Pricing in Auto Quotes will be updated July 1, 2026. The attached price list reflects July 1, 2026 model pricing and can be referenced for quotes for projects that will be ordered after July 1, 2026. The price list does not include options. When quoting options ahead of the Auto Quotes update, please add 5% to current Auto Quotes prices.

We appreciate your continued support and loyalty to our brand.

Regards,
