The 2026 Stock-It promotions are to incentivize distributors to stock Robot Coupe products. This promotion should not be used to sell directly to Amazon, Costco, Sam's Club or wholesale entities. Selling to redistribute may render a distributor ineligible for the stock-it promotion.

Stocking Orders: Multiple units shipping to one location made up of machines most commonly stocked by distributors.

Add **STOCKIT** or **STOCKIT.5**
promo codes to purchase orders
to receive applicable discounts.
